

# NEXT: We Move Beyond Giants

Series: NEXT (Part 3)

Pastor Jason Ishmael

Oct 16-17, 2021

*Moving from agreement to commitment requires focus on vision over obstacles*

## Lesson from spies and the promised land:

Numbers 13:1-2

Do we scout ahead in faith or look ahead with skepticism?

Count the cost before you build (Luke 14:28).

Numbers 13:17-20

Looking ahead to the promised land: Is it good or bad?

God already promised that it was good (Exodus 3:1-8, 6:1-8, 13:3-6).

Numbers 13:21-33

The grapes are big, but the giants are bigger.

It's easy to see all the reasons we *can't*.

The obstacles were huge, but they weren't taking God into account.

Numbers 14:10

Big giants, BIGGER God

The building isn't the giant. We face *much bigger* giants than that. God is moving through his church to see those giants fall, building kingdom legacy in Eastern Iowa and around the world.
