NEXT is building Kingdom impact in Eastern Iowa and beyond!

Mark 6:31-44

God wants us to:

- 1) Identify the problem.
- 2) Assess existing resources.
- 3) Offer what we have to God in faith.
- 4) Anticipate that God will multiply what is given to him in faith.

Sometimes when we are waiting on God to do a miracle FOR us, God is waiting to do a miracle THROUGH us!

Embrace this vision with love, with your resources, and with your prayers.
